Region Designs: Congratulations to all of our programs. This month will conclude all of our Region Designs. Scores will be posted as arranged within each region.

As a reminder, due to budget cuts, ONLY the 1st place team in each event qualifies to go to the State Competition which has been rescheduled to April 17, 2010 at West Mesa High School in Albuquerque. The handbook is in the process of revision (for the logistics portion) and will be distributed to all qualifying teams upon completion of designs.
