## **NM MESA HOSTS 22<sup>ND</sup> 'MESA DAY'**

### **AMUSEMENT PARK THE THEME FOR STEM RELATED ACTIVITIES**

**ALBUQUERQUE, NM MARCH 31, 2010: Saturday, April 17**

New Mexico Mathematics, Engineering, Science Achievement (NM MESA) will host the 22<sup>nd</sup> annual MESA Day for 400 champion NM MESA students and 50 teachers/advisors from throughout New Mexico. Winning teams from seven NM MESA regional areas will participate in this academically focused science, technology, engineering, and math (STEM) competition. To be held at West Mesa High School on Saturday, April 17, students will compete in Prepared Lego Robotics - Bumper Cars; Prepared Design - Wind Energy Challenge; Prepared Design - Roller Coaster and On-Site Math, On-Site Science, On Site Surprise. New this year is the Microsoft Bliink Webpage Design. Workshops and a closing ceremony will also be offered.

~ MORE ~

Competition among these teams will be intense as they vie to become the NM MESA statewide winning teams. NM MESA currently has more than 5,000 students participating in this statewide program with a focus on STEM enrichment.

For additional information and to volunteer for MESA DAY, contact Anita Gonzales, Program Coordinator, at 505-454-3027 or [anita@nmmesa.org](mailto:anita@nmmesa.org)
