STUDENT SIGN-UP

Energy & Education Fair

Artesia, New Mexico

January 18, 2019

NM MESA high school students from around the state are invited to experience the Energy Industry firsthand through a field trip that features company tours, workshops, presentations and culminating in an education fair. Students are exposed to different career options through access to professionals in the field and the institutes of higher education represented at the education fair.

SCHOOL NAME: _____

By signing below I am verifying the completion of each student's paperwork, pre-event assignment, event attendance and post-event assignment..

I, also, understand that in order for students to receive credit for Pre and Post Event Assignments, I need to send this Sign-up Sheet (include ALL students participation—even the ones that were unable to make the trip) to Anita at anita@nmmesa.org or FAX 877-464-6642 ***by February 11 at 5PM.***
