

NM MESA Inc. 2014 SENIOR INCENTIVE FIELD TRIP GENERAL INFORMATION- STUDENT & PARENT MEETING

NM MESA Seniors have been selected for this trip because of their excellence in many areas including maturity. We traditionally have very few problems on this trip. Students must follow the following regulations and directions. In addition, students will also be provided with further instructions given by the NM MESA staff during the trip in which they are expected to follow or face the possibility of being sent home at their parent's expense. Please understand how crucial being on time and following instruction is for this trip.

CLOTHING

GENERAL CLOTHING & ITEMS TO TAKE TO LOCATION

- The weather around New York in April is 45°-60°. Days may be warmer, but nights are cool and will more than likely be rainy/windy/wet. Pants are recommended with layered tops. Tennis shoes are recommended.
- Comfortable shoes and clothing. We will be walking A LOT!
- Small bag/backpack: money, camera, sun items, water bottle, etc.
- Flat, closed-toe/heel shoes are suggested (i.e. canvas/ tennis shoes)-it will be too cold for sandals
- Long pants (nice jeans are ok, but no baggies, jeans with holes/rips, or extra-loose types).
- No shorts, knee length pants, skirts, or dresses are recommended.
- Appropriate tops only (no midriff shirts, tank tops, etc.).
- Some areas will not allow pictures and cell phones are to be OFF.
- ESSENTIALLY: Bring a pair of jeans, tennis shoes, a nice shirt, and a jacket/pullover .

Those not dressed properly will not participate in a activity if particular dress is required.

GENERAL NOTES

- You may dress as you wish as long as it is mature & appropriate
- We trust each student's judgment BUT reserve the right to correct your dress if needed.
- It is not necessary to bring any "dress-up" clothes for any activity

MONEY

We suggest that each student bring \$150.00 - \$250.00 in spending money

- Students will be responsible for 6 meals along with optional items such as: extra snacks, souvenirs, etc.
- Food and souvenirs at locations can be expensive (a cheap burger may be \$8.00, water may be \$3.00).
- Parents please discuss SAFE MONEY CARRYING PRACTICES with your student. It is vital that students understand how to be safe with their photo ID & spending money.
- We suggest that 1/2+ of the spending money be in a form of payment that is readily accepted & replaceable if necessary. Please don't bring all cash or all credit/debit card.
- Budgeting is a necessity so that one will have enough money for the entire trip; do not lend money to anyone.
