

Service Learning Ideas

1. Walk for a Charity (March of Dimes, Diabetes)
2. Adopt a Highway or Median
3. Graffiti clean-up with your city or county
4. Visit a Nursing Home (sing, play music, or just chat with residents)
5. Volunteer for a homeless shelter/soup kitchen
6. Present a STEM lesson to younger students at an elementary, community center or library
7. Volunteer at a hospital (answer phones, pass out books & magazines)
8. Hold a rummage sale & give proceeds to charity
9. Help teach someone to read or collect and donate books (literacy based)
10. Organize a blood drive with United Blood Services at your school
11. Plant trees with a local park, open space or forest service program
12. Adopt a family during the holidays
13. Hold a clothing or food drive for a local shelter
14. Rake, mow or weed the yards of elderly people
15. Paint a mural in an area that needs improvement
16. Hold a bicycle clinic: teach bike safety or fix bikes with students and parents!
17. Perform a campus clean-up for litter control
18. Collect crayons and school supplies for a children's charity (ex: Los Ninos)
19. Collect blankets or personal hygiene supplies for a homeless shelter
20. Help your school to recycle and be sustainable
21. Help your school to compost lunch food and use or sell it to be sustainable
22. Help plant and care for a garden at your school, community center or local park.
23. Hold a petwash and donate funds to your club, school or a local program
24. Share your STEM knowledge interactively at a childrens hospital
25. Visit with and document MESA alumni or STEM professionals stories and lives
